

# MANDOLIN

## 2008 CABERNET SAUVIGNON CENTRAL COAST

---

### *Vintage Notes*

The grapes for this Cabernet Sauvignon were sourced from vineyards in the Central Coast AVA, where high winds, dry days, and ocean fogs create a cool, but very long, growing season. These growing conditions are ideal for grapes such as Cabernet Sauvignon, and lead to full, forward fruit flavors and ideal acidity. Grapes were harvested at an ideal balance of sugar and acid, and the wine was fermented in stainless steel. The wine completed malo-lactic fermentation in French oak barrels, where it aged for 14 months prior to bottling.

### *Tasting Notes*

With its maritime influence, California's Central Coast region has an extended growing season that yields wines with full flavor development and great acid balance. Mandolin Cabernet Sauvignon has rich layers of currant and cherry fruit, framed by nicely integrated oak.
