Vintage Notes

The grapes for this Pinot Noir were sourced from vineyards in Monterey County, where high winds, dry days, and bay fogs create a cool, but very long, growing season. These growing conditions are ideal for cool-climate grapes such as Pinot Noir, and lead to full, forward fruit flavors and ideal acidity. Grapes were harvested at an ideal balance of sugar and acid, and the wine was fermented in small open-top tanks. The wine completed malo-lactic fermentation in French oak barrels, where it aged for 18 months prior to bottling.

Tasting Notes

With its maritime influence, California’s Monterey region has an extended growing season that yields wines with full flavor development and great acid balance. Mandolin Pinot Noir has spice, ripe cherry, and savory tones on the nose. It is medium-bodied with polished tannins, showing strawberry and mineral notes.
